CALL FOR EXPERTS

The ENPI CBC Project ALECTOR (2.1.2.73296.282 MIS ECT 2617), co-financed by the European Commission is looking for heritage experts to recruit the Black Sea Heritage Observatory.

Page | 2

PROJECT DESCRIPTION

The Project includes partners from 8 countries: Greece, Bulgaria, Romania, Bulgaria, Moldova, Ukraine, Georgia and Turkey (funded by the ENPI at 90% and national contribution by 10% of the Project budget). The overall project budget is 1.125.744,69 € (ENPI contribution: 691.324,69 €; IPA (EU and National contribution): 434.420,00 €).

The Project is dedicated to the development and promotion of heritage tourism standards in the Black Sea Basin. The Cross-Border Project will be implemented in 24 months and be finalized by 31.12. 2015.

The 24 month Project will have delivered by completion date a cultural heritage infrastructure of 46 project-driven innovation tools for the design and delivery of cultural heritage products and services. SCRIPTORAMA, the Project's Open Street Museum with 90 geo-locations accessible via QR Codes in the territory, an iBook for iOS and Android operation systems and a multivision for the heritage area of the Cross Border Partnership are representative for the Project's cultural heritage identity.

THE BLACK SEA HERITAGE OBSERVATORY

This legacy is of substantial value to be left without essential representation. A prerequisite for enhancing local competitiveness in the Project Area is the creation of collaborative networks and strategic partnerships local and regional level. The major issue of the protection, conservation, management and interpretation and economic maximization of the wider Heritage Environment has to be communicated to the academic community, key players and the general public.

Upon Project completion the Project Legacy will be managed by the Black Sea Heritage Observatory. The Black Sea Heritage Observatory is an NGO under Bulgarian
